Visionary, selfless leader, man of God

“Something closed must retain our memories,
while leaving them their original value as images.
Memories of the outside world will never
have the same tonality as those of home and,
by recalling these memories, we add to our store of dreams;
we are never real historians, but always near poets,
and our emotion is perhaps nothing but an expression
of a poetry that was lost.”

—Gaston Bachelard, *The Poetics of Space* (1958)
